Dear Parent/Carer

We have had very successful sports days this week. Thank you for attending as the children had a wonderful time with all your support.

Our only issue was parking around the local area to which I have sent a Parentmail too. Please park with respect to our local residents and leave enough space that larger vehicles. We do not want a situation where an emergency vehicle cannot get through.

Please can I also remind you that the children are not to play on the new play equipment before or after school.

Kind regards

Louise Lidgard
